Frontend User Manual for Player Role

Overview

This manual provides a step-by-step guide to using the frontend functionality of the **Player Role** in the Bandit Online Games platform. Each section describes the purpose, features, and user interactions for every screen and feature.

Landing Page

Purpose: The landing page serves as the entry point for all users, welcoming them and providing a quick call-to-action.

How to Use:

1. Read the title "Welcome to Bandit Online Games!" and subtitle "Join the largest board game community and challenge your friends online."
2. Click the **PLAY BATTLESHIP NOW!** button to proceed:
    - If logged in, you will be redirected to the **Game Store**.
    - If not logged in, you will be redirected to the **Login Page**.

Login Page

Purpose: Allows registered users to authenticate and access their accounts.

How to Use:

1. Enter your **Username or Email**.
2. Enter your **Password**.
3. Click the **Sign In** button:
    - If the credentials are correct, you will be redirected to the next step (e.g., demographic pop-up or Game Store).
4. New users can click the **Sign Up** button to navigate to the Registration Page.

Registration Page

Purpose: Allows new users to create an account on the platform.

How to Use:

1. Fill in the following fields:

- o Username
- o Password and Confirm Password
- o Email
- o First Name and Last Name
2. Click the **Sign Up** button to complete registration and proceed to the Demographic Pop-Up.
3. To return to the Login Page, click the **Back to Login** button.

Demographic Pop-Up

Purpose: Collects additional personal details to enhance the user experience.

How to Use:

1. Fill in all mandatory fields:
   - o Birthday
   - o Gender (Choose from dropdown: Male, Female, Other)
   - o Location (Select your country from the dropdown)
2. Click the **Submit and Continue** button to save the details and access the Game Store.

Game Store

Purpose: Displays the list of available games for purchase.

How to Use:

1. Browse the game list. Each game includes an image, name, and price.
2. Click the **Info** button for a detailed pop-up:
   - o View details such as Genre, Release Date, Rating, Age Limit, and Price.
   - o Close the pop-up by clicking the **CLOSE** button.
3. To purchase a game, click the **Add to Cart** button.

Cart

Purpose: Displays games added to the cart and allows users to proceed to payment.

How to Use:

1. Click **View My Cart** to open the cart panel.
2. Review the list of selected games:
   - o Name and Price are displayed.
   - o Remove a game by clicking the **Remove** button.

3. View the total price at the bottom of the cart panel.
4. Click **Proceed to Payment** to continue (feature not included in this version).

My Games

Purpose: Displays all purchased games and provides access to play them, including waiting in the lobby for online matches.

How to Use:

1. Browse the list of purchased games.
2. For each game, you can:
   o **Play Now**:
     ▪ Click to start the game immediately.
     ▪ A pop-up will display "Waiting in the Lobby" with a loading indicator while searching for other players.
     ▪ Once a match is found, the game will start automatically.
     ▪ To cancel matchmaking, click the **Leave Lobby** button.
   o **Play with Friends**:
     ▪ Opens a pop-up for friend selection.
     ▪ If no friends are linked, a message "No friends available" will be displayed.
   o **Info**:
     ▪ Click to view detailed game information, including genre, release date, and rating.

Profile Page

Purpose: Displays the user's profile information, game statistics, and a list of friends.

How to Use:

1. View your personal details:
   o Email
   o Gender
   o Birth Date
   o Country
2. Review game statistics:
   o For each game: Games Played, Games Won, and Rating.
   o Initially, these statistics are empty.
3. Check **Game Achievements**:
   o Unlocked Achievements: Displays earned achievements.
   o Locked Achievements: Lists achievements yet to be unlocked.
4. View your friends list:
   o A section titled "My Friends" displays your friends.

- Each friend includes:
  - Name
  - Rating
  - Country
- Click the **VIEW PROFILE** button next to a friend's name to see detailed information about that friend.
